- 32 female candidates supported and elected into different political positions.
- 2 Gender Bill introduced and passed in Cross River State House of Assembly.

MESSAGE FROM OUR BOARD CHAIR

In a world where more girls and women are poor and thereby becoming more vulnerable, calculated measures and actions need to be taken to reduce this trend to the barest minimum. This is what we started out to address at POWER. We understand that Women are good entrepreneurs and manage resources better and as such, we are constantly working to support their growth at POWER. Join us, together we build a better world for women.
